

Maria Theresa Villar, MSN, FNP-BC

Miss Villar is a board certified nurse practitioner with almost 20 years of medical field experience.

After graduating with an Associates in Art's degree from Miami Dade College in 1996, she continued her studies and graduated with honors in 1998 with a Bachelor's degree in nursing from the University of Miami.

In early 2016, she became a certified nurse practitioner from Keyser University, after completing her Master's Degree and ultimately began her career in healthcare in early 1999, working as a registered nurse at Baptist Hospital in Miami.

She is an extremely passionate healthcare professional, exceedingly educated and well trained to provide health promotion and maintenance through the diagnosis and treatment of acute illnesses and chronic pain conditions. She has also devoted many years of her life to mentor recent graduate nurses throughout her successful medical career.

Furthermore, Miss Villar is fully bilingual in English and Spanish and is highly specialized in Regenerative Medicine procedures to treat a myriad of painful conditions and is also vastly qualified to conduct the most innovative stem cell derived beauty enhancement treatments.
